
Carten T410R speedrun chassis plate (wide)

1:1 template, A4 landscape, page 1 of 2

PRINT AT 97 % (scale of your PDF viewer).
The drawing is pre-scaled to 103.09 % (100/97).
Check both 100 mm bars with a ruler before use.
Printed at 100 % ("actual size") it is 3.1 % too large.

Top view (side without countersinks):
place the part with the countersinks facing down.
Red: through holes Ø3.2 mm with centre cross.
Dashed circles: countersinks Ø6.2 mm (bottom face).
Blue dashed: 20 mm overlap zone. Lay page 2 over page 1 so that both pairs of lines coincide.
Grey dashed: outline of the chassis plate v2.
Green dashed: longer motor window (3660 motor).
After joining: H11 to H23 = 145.82 mm (centres).
